**SUBJECT: Appreciation and the launch of permanent cooperation with the municipality Pellworm, Federal Republic of Germany**

Dear Mr. Ilic,

We would like to thank you for your help - charity you provide with friendly municipality Pellworm, from Schleswig-Holstein. Financial assistance was forwarded through our association "Kolo Srpskih sestara Sveta Petka" (NGO Circle of Serbian Sisters) and delivered to the most vulnerable population in the flooded areas of our community.

Financial support was impressive, especially since it was sent from a remote, yet so close, small municipality Pellworm, whose citizens have expressed their solidarity with the flood-affected population of our community.

Preliminary estimations of flood damages in our community are about 800,000.00 euros, which is equivalent to the annual budget of our community, so any help is welcomed and useful.

Accordingly, we would like to express our intention to establish close ties and cooperation with the municipality Pellworm, including, but not limited to, mutual visit of our delegation and the establishment of cultural, social and other cooperation.

We kindly ask you, according to your abilities and authority, to establish communication with the competent authorities of the municipality Pellworm and convey our greetings and offer to establish a permanent cooperation, with the support of SWG, including the departure of the delegation of the Donji Zabar in Pellworm or possibly their visit to Donji Zabar.

Region "Drina-Sava" is a suitable platform for these activities, since Donji Zabar municipality participate in regional activities by our representative Mr Pera Stevanovic, vice mayor.

Thank you.

Mayor of the Municipality  
Željko Marjanović
